COMMANDER'S MESSAGE

Greetings Comrades,

Well, June marks the end of the current Leadership and the elected officers assume their responsibilities. Looking forward to another great year and hope to see the post expand in membership, programs, events, fundraisers and lead the way in District 13. Our post has the potential to achieve great things for the community and veterans, Let's make it happen. This year our post made All State, thanks to all that helped make that happen. I would like to thank Jake for what he achieved for the post while he was our Quartermaster. Let's welcome Ron as he takes the lead as quartermaster for the 2019 – 2020 term.

I learned a lot during my first year as commander, so many things that the VFW does for the community and all veterans.

I would like to thank the few volunteers that make lunch, breakfasts and dinners happen at the post. We would lose a big part of what happens at the post without them. Thank you again.

The fireworks booth starts at the end of the month June 28th through July 4th. We need volunteers to man the different shifts, this is a big fundraiser for the post. We will be distributing door hangers around Ripon to increase visibility and direct households to our booth. Seems like Ripon grows every year, we need to ask the new residents to support their local combat veterans.

Very Respectfully,

Jorge Velez

Commander
